**Michael Murphy : Eat Dat New Orleans: A Guide to the Unique Food Culture of the Crescent City (Up-Dat-ed Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Eat Dat New Orleans: A Guide to the Unique Food Culture of the Crescent City (Up-Dat-ed Edition):

10 of 10 people found the following review helpful. this is much more than a restaurant guideBy Janet AllenMichael Murphy's Eat Dat New Orleans is so much more than a restaurant guide: its a cultural study of NOLA through its food and its food creators--its a tremendously great read for anyone who has been to New Orleans or is planning a visit or

anyone interested in NOLA's diverse cultural from afar. The profiles of those who work in the food industry--not just the top chefs, but folks working in tiny, neighborhood places--create such a pungent sense of place, its like you can smell the cooking in every page! Murphy is such a great writer that it reads like top-notch, lovingly investigated memoir. Truly a love letter to the city's culture.0 of 0 people found the following review helpful. Eat up!By julianna h.This is a gorgeous book! The cover is so nice and it has that soft buttery feel to it. Ugh, love! I'm really happy with the content in this book. It's honest and to the point. They aren't shy to let you know if it's a touristy spot that simply is not worth it. After every segment for a restaurant, they boil it down to two statements: "Reason to go:" "what to get." I ordered this as a gift and I see myself ordering it again for others (and myself).I'm disappointed in the condition it was delivered in. Instead of a box, it was shipped in a huge flimsy bag that offered zero protection. This brand new book now looks used and I'm a bit embarrassed to give it as a gift. I believe this may be an issue with , so I have left my feedback for them as well.3 of 3 people found the following review helpful. This is the guide to getBy AndalsoI gave this to my kids who live in New Orleans and it is their go-to book when deciding where to eat. The writers are forthright and honest--a peek in the book can keep your from making a poor dining decision. The additional background info they offer on the restaurants is lagniappe!

Completely revised and updated with brand-new restaurants, *Eat Dat New Orleans* is the ultimate guide to America's best food city When Mario Batali was asked his favorite food city, he responded, New Orleans, hands down. No city has as many signature dishes, from gumbo and beignets to pralines and po' boys, from muffuletta and Oysters Rockefeller to king cake and red beans and rice (every Monday night), all of which draw nearly 9 million hungry tourists to the city each year. In this fully revised and updated new edition, *Eat Dat New Orleans* celebrates both New Orleans food and its people. It highlights nearly 250 eating spots--no-cone stands and food carts as well as famous restaurants and spins tales of the city's food lore, such as the controversial history of gumbo and the Shakespearean drama of restaurateur Owen Brennan and his heirs. Both first-time visitors and seasoned travelers will be helped by a series of appendices that list restaurants by cuisine, culinary classes and tours, food festivals, and indispensable best of lists chosen by an A-list of the city's food writers and media personalities, including Poppy Tooker, Lolis Eric Elie, Ian McNulty, Sara Roahen, Marcelle Bienvenu, Amy C. Sins, and Liz Williams. 75 Color Illustrations

About the Author Michael Murphy, a book publishing professional, has been a vice president at Random House, publisher of William Morrow, and founder of the literary agency Max Co. By day two of his first visit to New Orleans in 1983, he knew he was home. He finally moved to New Orleans in 2009, and will never leave. Murphy is the author of *Eat Dat*, *Hear Dat*, and *Fear Dat*.
