**Kaie Wellman : eat.shop austin: A Curated Guide of Inspired and Unique Locally Owned Eating and Shopping Establishments (eat.shop guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised eat.shop austin: A Curated Guide of Inspired and Unique Locally Owned Eating and Shopping Establishments (eat.shop guides):

3 of 3 people found the following review helpful. LOVE LOVE LOVE!!!!!!!!!!!!!!By Kasey PatinThis book ,along with the previous editions, is so amazing!! It really showcases the local businesses in the Austin area. It also gives you a sense of the unique culture that this city inhibits. I would highly recommend this book to anyone that is planning a trip to Austin. Splurge a little and get the first and second edition as well....you won't regret it.3 of 3 people found the following review helpful. Hidden TreasuresBy MythoughtsHaving grown up in Austin, I ordered this book really out of curiosity not out of a specific tourism need. However, I was unfamiliar with several of the establishments listed and am excited about trying some of them out on my next trip to Austin. Definitely a must read for both visitors and Austin natives.4 of 4 people found the following review helpful. thank Goodness I had this book with meBy Stacey KornI can't believe how hard it was to find any decent info on the "hip" neighborhoods on the internet. Luckily, I had this book in hand for my Christmas vacation and it helped me go straight to the smartest places in Austin. It was spot on and it knew all the cool stores and restaurants I would want to go to. I will always have one of these guides with me

anytime I visit another wonderful city like Austin.

Sleekly designed and focusing exclusively on locally owned restaurants and stores, these modern city-guides are unique in both form and content. Each featured business is handpicked by the author to represent the crme de la crme of cities beloved by both locals and tourists. The overall selection presents a fresh and unexpected look at each city, highlighting an exciting array of neighborhoods. Establishments range from the sparkling new to deeply patinaed, unexpected to way-off-the-beaten-path, and funky to chic. The convenient size is ideal for bags and purses, while the eye-popping layouts of luscious photographs, efficient maps, and brief hotel recommendations will help make planning an excursion almost as fun as eating and shopping.

About the AuthorKaie Wellman is an award-winning graphic designer and the founder of Cabazon Books, the publisher of the eat.shop guides series. She is the author of eat.shop seattle and the coauthor of eat.shop kansas city, eat.shop miami, and eat.shop portland. She lives in Portland, Oregon.
