Jon Hart, Kaie Wellman : eat.shop kansas city: The Indispensable Guide to Inspired, Locally Owned Eating and Shopping Establishments (eat.shop guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised eat.shop kansas city: The Indispensable Guide to Inspired, Locally Owned Eating and Shopping Establishments (eat.shop guides):

0 of 0 people found the following review helpful. this was a great collection of neat local shops here in Kansas CityBy Christian Charles DyeWhile it's probably a bit dated now (being that it was published in 2009), this was a great collection of neat local shops here in Kansas City. Even though I'm from the KC burbs, there were still lots of neat places in here that I hadn't heard of before. We kept it in the car and would use it for date night. If only they could update it for 2017!2 of 2 people found the following review helpful. hip little guide to the offbeat and trendy places you'll want to visitBy Carol C.This little 6" x 6" guide mentions all of the hip trendy places in Kansas City, as well as the must-visit decades-old institutions. It really is a perfect guidebook for locals looking to branch out, as well as visitors, wishing to make sure they find the best that Kansas City has to offer.The focus is on restaurants and shopping. Don't waste your calories on ho-hum fare or chain restaurants you can find anywhere -- KC has fantastic and unusual local restaurants (and chocolate shops and bakeries) -- and many of them are featured in here. Arthur Bryant's,

babycakes, blue bird bistro, bluestem, christopher elbow, jess jim's, le fou frog, . . . you get the ideal. Likewise, some of the most interesting, unusual shops in town -- like Pryde's in Westport and Museo -- are featured. For each featured restaurant and shop, the authors provide an address and phone number, hours, details on what's served and payments accepted, great photographs, recommendations -- and the handy maps show you just how to get there. A Great Resource for locals visitors. Published in 2009 -- may be out of date in a few years, but great for now. 3 of 3 people found the following review helpful. Fantastic! By davidkc The thing about going someplace new is finding the most interesting places to hit in a limited amount of time. Even as a Kansas City native, this book completely nails the best places in KC. There were a half-dozen places I didn't know about in the city I live in. All of the eat shop guides are terrific, I get one on every trip to cities in their collection. Essential for finding the quirky and best restaurants!

Sleekly designed and focusing exclusively on locally owned restaurants and stores, these modern city-guides are unique in both form and content. Each featured business is hand-picked by the author to represent the crme de la crme of cities beloved by both locals and tourists. The overall selection presents a fresh and unexpected look at each city, highlighting an exciting array of neighborhoods. The convenient size is ideal for bags and purses, while the eye-popping layouts of luscious photographs, efficient maps, and brief hotel recommendations will help make planning an excursion almost as fun as eating and shopping.
