Local Minnesotan totally loves this bookBy Jay777I've lived in the Twin Cities all my life and I first started using this book to cater my choices towards local businesses. There is not one restaurant that I picked from the book that isn't absolutely fabulous. It is full of the best that the Twin Cities has to offer; no visitor will leave unsatisfied.I hope the authors will continue to make more editions for the Twin Cities. I keep this book and thumb through it every time I am stumped on where to go for dinner.

With a modern layout and luscious photographs, these city-specific guides unearth distinctive, locally owned and operated eating and shopping destinations. Designed for both locals and tourists, these indispensable tools feature

listings to more than 90 spectacularly original businesses that encapsulate the core character of each given city. Ideally sized for backpacks or purses, each guide also features easy-to-read maps and hotel suggestions.

"What makes these . . . guides stand out is their outstanding and wide-ranging collection of shops and restaurants." The Boston Globe
