Anna H. Blessing : eat.shop washington dc: The Indispensible Guide to Stylishly Unique, Locally Owned Eating and Shopping (eat.shop guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised eat.shop washington dc: The Indispensible Guide to Stylishly Unique, Locally Owned Eating and Shopping (eat.shop guides):

6 of 6 people found the following review helpful. The best guide for any city!By ihearthayden523I was in DC for business for several weeks and I took this book with me everywhere! It's a must for people who are not interested in all of the tourist hot spots and really want to see what DC has to offer. This is my second eat.shop book and I have never been disapointed by any of the shops or eateries. It will be the best travel guide you'll ever buy.1 of 2 people found the following review helpful. Not much thereBy A. HullThis 'book' is more like a pretty pamphlet listing small restaurants, boutiques, shops, etc. The 'book' is about 4" by 4" big and it has one page with a variety of photos and on the facing page a list of a few items that denote what the author thinks is special about this shop, restaurant. Pretty catalog - not an informational book.

With a modern layout and luscious photographs, these city-specific guides unearth distinctive, locally owned and

operated eating and shopping destinations. Designed for both locals and tourists, these indispensable tools feature listings to more than 90 spectacularly original businesses that encapsulate the core character of each given city. Ideally sized for backpacks or purses, each guide also features easy-to-read maps and hotel suggestions.

"What makes these...guides stand out is their outstanding and wide-ranging collection of shops and restaurants."The Boston Globe
