**Elijah Sky : Elijah's Disneyland Paris Resort 2015: The Ultimate Guide (Elijah's Ultimate Guides) (Volume 1)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Elijah's Disneyland Paris Resort 2015: The Ultimate Guide (Elijah's Ultimate Guides) (Volume 1):

2 of 2 people found the following review helpful. Interesting but it needs a map of the park.By amyThis guide book was informative in its information but basic. I wish there had been some pictures or at least a map of the park/resort. Including park maps would help me and other reader visualize where attractions, shops, restaurants and other things are in relation to each other. I looked at a map online frequently to see where things were that the author was talking about, which was inconvenient. The author did include some trivia and comparisons to other Disney theme parks,

which would be helpful only if you have visited other Disney theme parks (which I have).

Elijahs Ultimate Guide to Disneyland Paris Resort 2015 is lovingly crafted to give you essential, in-depth knowledge of all the rides, shows, attractions, shops, and restaurants in both Disneyland Park and Walt Disney Studios Park! You'll become the expert with informative facts about each attraction and a detailed, expert review. After a handy, at-a-glance description, you'll learn quick facts about the attraction including location, ride type, and family recommendations. We advise you on when to ride to avoid the heaviest crowds and give you any needed family tips for little ones and senior citizens. Our exclusive features include a comprehensive disability guide for each attraction, fun History Trivia sections to help you pass time in line, and information on attraction variations at other Disney Parks around the globe. All shops are reviewed with merchandise selection descriptions; all restaurants are reviewed for menu items, service style, and quality. We are the only guide to update our information seasonally, not annually, ensuring that you are given the freshest, most accurate information available.
