**Elijah Sky : Elijah's Six Flags Magic Mountain 2015: The Ultimate Guide (Elijah's Ultimate Guides) (Volume 1)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Elijah's Six Flags Magic Mountain 2015: The Ultimate Guide (Elijah's Ultimate Guides) (Volume 1):

As a roller coaster enthusiast, magic mountain is our #1 destination for thrill rides. I've become obsessed with theme parks all my life so to have a book that caters to people like me was great. Loved hearing about the history of all of the rides. My only suggestion would to add pictures for those people who have not had the opportunity to go on the rides yet. Other than that I would definitely recommend this book to anyone who loves magic mountain as

much as me or is planning to go. 0 of 0 people found the following review helpful. this book feels like it has been written by a child

This book is very sparse ... there are numerous blank pages or pages with just one paragraph of type and the remainder of the page empty. There are also many errors and it feels as if this book has not been proof read ... within the same page, it tells you a ride opened in 1972, and a few lines later, it says it opened in 1976! My 8 year old, roller coaster fanatic, son has read this book but has found so many errors ... this book feels like it has been written, rather poorly, by a child. Had I seen this book in a shop, and not bought it online, I wouldn't have gone anywhere near it ... avoid it!
