Elisabeth Stevens : Elisabeth Stevens' Guide to Baltimore's Inner Harbor before purchasing it in order to gauge whether or not it would be worth my time, and all praised Elisabeth Stevens' Guide to Baltimore's Inner Harbor:

PhillipsI ordered this book 3 weeks before a friend was going to Baltimore as a guidebook. The delivery window was Sept 1-17. A copy arrived in early September but was routed incorrectly by my friend's internal mail room. I called the seller to ask for an update on the delivery. The seller sent a 2nd copy. Unfortunately, that also arrived after my friend's trip. Neither copy arrived on time.My complaint with and this supplier is the long delivery window (18 days).
