**Ema Hutton : Ema Earns Her Ears: My Secret Walt Disney World Cast Member Diary (Earning Your Ears) (Volume 2)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ema Earns Her Ears: My Secret Walt Disney World Cast Member Diary (Earning Your Ears) (Volume 2):

1 of 1 people found the following review helpful. A fun and enjoyable read...By A. MannWhat a sweet book about a

sweet person's journey in the Disney College Program. I loved listening to Ema's stories as she came over from England to pursue her dream of working in Mickey Mouse Land. I admired her courage as she took on her first assignment of working in Housekeeping. While it was far from perfect, she made the best of things and even thrived. I especially enjoyed the second half and her adventures with Pluto. She shared from the heart and her stories were funny and cute but also very honest. I think if someone were discerning the College Program, Ema's accounting of her experiences would provide a good insight into what to expect as well as a good way to prepare for the adventure. Good for you, Ema for following your dreams and allowing yourself to be transformed in the process! 1 of 1 people found the following review helpful. This is the story of an international college program student ...By cjs in NJ This is the story of an international college program student. It was interesting but seemed less substantive than the other books in this genre. 0 of 0 people found the following review helpful. Another good book in the series that gives us insight into ...By Kindle Customer Another good book in the series that gives us insight into what occurs for the DCP'ers as they go through deciding to apply to life after DCP. Thank you to Ema and the others for what they have taken the time to pen.

God Save the Mouse! Ema Hutton's two summers in Disney's International College Program took her from a little town in England to cleaning rooms at Port Orleans and performing as Pluto in the Magic Kingdom. Ema's first summer at Disney World pitted her against a surly band of housekeepers from hell who nearly led her to "self-term" (Disney-speak for "quit"). Her account of Disney Housekeeping is the most revealing look yet at what it's like to work for the Mouse. Ema's second summer at Disney World put her inside a Pluto costume, where she dealt with excited children, rude guests, ridiculous questions (Pluto can't talk), and every autograph-signing implement imaginable. What does it take to be a Disney character? Ema tells all, from management's edict to "know your friend" (more Disney-speak) to a true insider's guide about how to make the most of your own character meet and greets. Follow Ema as she: Faces the embarrassment and near disaster of her first interview Frets over the surprisingly cold and political world of housekeeping at Port Orleans Feels the pressure of paperwork, roomies, Traditions class, and on-the-job training Figures out how to be Pluto, while not being Pluto, and why Disney mandates schizophrenia among its character performers Finds her way around the culture shock of speaking and thinking like a Brit while working in the most American place on earth Through it all, Ema kept a stiff upper lip, and her quirky, witty writing will put you squarely in her sensible shoes as this proper English girl finds fun, adventure, laughs, tears, and surprises in Walt Disney World. Ema Earns Her Ears is the second volume in the popular "Earning Your Ears" series. If you've never been in the Disney College Program, this is the next best thing!
