Alice Albinia : Empires of the Indus: The Story of a River before purchasing it in order to gage whether or not it would be worth my time, and all praised Empires of the Indus: The Story of a River:

0 of 0 people found the following review helpful. Interesting, Informative and thought-provokingBy deepmadReally enjoyed this in-depth review by an author who has literally gone deep, exploring the geography and the people, experiencing and learning along the way.0 of 0 people found the following review helpful. A must have for any library!By Syed SaboorAn outstanding immersive perspective into the history of South Asia. I read this book a few

years ago and have since presented to several friends. 0 of 0 people found the following review helpful. well doneBy Pablo Sampaio Peres Fagundesvery interesting, well written. It is a good introduction of some aspects of those places, the people that lives there and the culture they share. The text is interesting and the historical references do work in the narrative.

Alice Albinia is the most extraordinary traveler of her generation. . . . A journey of astonishing confidence and courage.Rory Stewart One of the largest rivers in the world, the Indus rises in the Tibetan mountains and flows west across northern India and south through Pakistan. It has been worshipped as a god, used as a tool of imperial expansion, and today is the cement of Pakistans fractious union. Alice Albinia follows the river upstream, through two thousand miles of geography and back to a time five thousand years ago when a string of sophisticated cities grew on its banks. This turbulent history, entwined with a superlative travel narrative (The Guardian) leads us from the ruins of elaborate metropolises, to the bitter divisions of today. Like Rory Stewarts The Places In Between, Empires of the Indus is an engrossing personal journey and a deeply moving portrait of a river and its people. 18 illustrations

A magnificent book, a triumphant melding of travel and history into a compelling story of adventure and discovery. - Financial TimesAbout the AuthorAlice Albinias honors include a Somerset Maugham Award, the Royal Society of Literature / Jerwood Prize, and the Dolman Travel Prize 2009. Her writing has appeared in The Guardian, the Financial Times, and elsewhere. She lives in England.
