guides are supposed to be: informative, interesting, and most of all--fun. Great research and the author's warm writing style make planning a leisurely holiday a pleasant experience. Great suggestions for romantic getaways, but there's plenty here for the whole family, if you really want to bring the kids. 1 of 1 people found the following review helpful. Is it summer yet?. By A Customer Living in Chicago, I'm always longing for summer. Now I'm also longing to go to the Cape area. Enchanted Summer paints a great picture of what should be a great summer vacation. The book is well written, well organized and well..enchanted. Can't wait to check out the recommendations. 2 of 2 people found the following review helpful. This book made me ache for another visit to the Vineyard. By A Customer The author captures the very essence of the Cape Cod shores and the Vineyard and Nantucket. And the charming illustrations add to the call of life at another pace and that life can truly be enjoyed, one B B at a time.

Cape Cod and its islands are the focus of this guide. Emphasizing the romance of the area, the book explores the beaches, Victorian houses, sailboats and colourful gardens. Written by a local, information is provided on forest walks, bicycle rides, accommodation and restaurants.
