**David J. Sams : Engulfed** before purchasing it in order to gage whether or not it would be worth my time, and all praised Engulfed:

Sams' photographs are sure to evoke powerful positive memories of sunrises, sunsets, fish fought, fish caught, and fish lost. His photographs combine a vivid imagination, a lifetime of experience, and impassioned determination to capture images that are both inspiring and unique. This is the perfect gift book for Father's Day and for the fisherperson in your life. Engulfed: A Photographic Celebration of People, Places, and Fish around the Gulf Coast is a collection of photographs captured by David J. Sams, a world-class photographer. The text is categorized into 4 sections and has

anecdotes about fishing and people set against a backdrop of places around the Gulf Coast.
