She marked more stuff to do than we had time in our week there!!! We did have a little bit of a hard time translating the descriptions in the book to the park map and visa versa. A map of the park is a must because some of the starting points in the book seemed vague. All in all a great book that I will use again and again and again!!0 of 0 people found the following review helpful. Good reference. Served as a good intro to the ...By CustomerGood reference.
