all things Disney and a frequent visitor to Disney World, I saw this book was released and bought it immediately. I am currently only about 40 pages in, but so far I think it is very informative -- both to someone new to Epcot's world showcase and to a seasoned visitor. 1 of 1 people found the following review helpful. Don't Bother By Bob L. Filled with info that's out of date and some that's sure to be so in a short while, this clumsily laid out and written guide is a waste of money. Much space is taken up with menu items and prices, when that info could EASILY be found on line and up to date. 0 of 0 people found the following review helpful. A Disney Park Book Without a Map! By Tracie G. It didn't include a map of the Park! So I had no idea if Norway was near Morocco or Italy -- how to plan a day without a map?? Also the book is ONLY for the World Showcase - has absolutely nothing on Future World. So I am very disappointed. I did get some information but would not recommend this book

Let's Go Around the World! No thrill rides. Few characters. Great food and shopping. Alcohol. For many Disney guests, Epcot's World Showcase is their kind of theme park, and this first-ever, illustrated, pavilion-by-pavilion guide is your passport to everything it has to offer. The World Showcase can be overwhelming in its variety and detail. Each pavilion is a self-contained "experience", with entertainment, shopping, dining, and even attractions and shows. With so much international flavor on display, it's easy to breeze past hidden gems and miss out on the magic not to mention overlook that perfect meal or souvenir! You'll learn all about: The history of each pavilion, with helpful tips on finding (and appreciating) its historical and architectural details The best places to eat, from table-service restaurants to kiosks, and what you'll find on the menus The best places to shop, with descriptions of each store and its unique merchandise Shows, "street" performers, fun activities, characters, and other pavilion entertainment Plus, the book includes your very own "photo album" with over five dozen shots of the best each pavilion has to offer Get your passport in order the "World" awaits!
