**Yves-Marie Stranger : Ethiopia: Through Writers' Eyes** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ethiopia: Through Writers' Eyes:

This book is the perfect companion to any exploration of Ethiopia, be it in the precarious saddle of an Abyssinian

pony, or from the folds of an armchair. A compendium of all things Ethiopian, the book throws wide-open the precious windows of understanding, allowing you to gaze deeper into the landscape and people with wonder. Ethiopia has long attracted the attentions of eccentric adventurers, Jesuit explorers, foolish would-be conquerors, as well as saints and sinners in equal measure...and the keen interest of writers of all stripes.
