**James Kavanagh, Waterford Press : European Backyard Birds: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised European Backyard Birds: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide):

The vastly diverse and complex ecosystems in Europe are the permanent or temporary home of over 870 species. This beautifully illustrated guide highlights over 130 familiar, widespread species and includes information on attracting, feeding and creating safe habitats for birds to avoid predation and nest. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information for novices and experts alike. Made in the USA.
