**From teNeues : Everyone Loves New York** before purchasing it in order to gage whether or not it would be worth my time, and all praised Everyone Loves New York:

1 of 1 people found the following review helpful. A must have book.....By Eileen S. HoneyI absolutely love this book. I am an artist so I bought it for myself because it's the type of art that attracts me. On the other hand, it also makes a great gift if you know someone who loves NY or lives in NY or wants to go to NY! But you don't have to be a New Yorker to appreciate it. You will recognize many of the iconic NYC places and much more. It's also printed on quality paper and I like that fact that it's small in size so it doesn't take up too much room on my coffee table. There are over 100 pages of wonderful art in the book! It's wonderful...what more can I say! 1 of 1 people found the following review helpful. Five StarsBy Sharon RocheLoved it.1 of 2 people found the following review helpful. Five StarsBy Pamela JacksonGreat - fun book!

As the song says, "If I can make it there, I'll make it anywhere!" Everyone Loves New York is a joyful and whimsical

ode to one of the most dynamic metropolises in the world, New York City, showcasing an array of 85 illustrations in eclectic styles, from 60 artists from around the world. From the iconic buildings and bridges that make up the Manhattan skyline--such as the Empire State Building, the Chrysler Building, and the Brooklyn Bridge--to the world-famous shopping streets of Fifth Avenue and Madison Avenue and the pastoral greenery of Central Park; from the ever-presence of the distinctive yellow taxicabs and popular street food to the fashionable neighborhoods and hangouts of the downtown hipsters. *Everyone Loves New York* is a delightful homage to the City that Never Sleeps-- a perfect book for all "New Yorkers," real and in spirit, everywhere.

About the Author Leslie Jonath is a book packager specializing in art books, cookbooks, and books on design. She is also the author of *Everyone Loves Paris*.
