Jason Rich : Everything Gd.To Disneyland Ca (Everything (History Travel)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Everything Gd.To Disneyland Ca (Everything (History Travel))):

0 of 0 people found the following review helpful. The Everything Travel Guide To The Disneyland Resort, California Adventure, Universal Studios By Denise Melissa Bristow I've grown up in Southren California all my life and I bought this book for research for one of my stories and I started reading the book. I found out alot of things about the diffrent Anuesment parks that I didn't know about, I highly recommend that if your going to travel to California and go to the

Amusement park this is a great book to have with you. It gives a history about the different parks. I can't wait to go to them now that I have the guide. 16 of 18 people found the following review helpful. For tight budget travellers By L. Baires I have taken one star out for illustrations. There is none. However, the book is very helpful if you're traveling with a tight budget. Price admissions in one chapter is very handy as you don't need to travel between chapter back and forth. The rankings for each attraction according to different ages helped me out in choosing which parks to visit with my 5 year old child. There is even a chart to help you plan your days and how much you'll spend in them. 7 of 12 people found the following review helpful. Stupid By Paul L. Duckworth This is a waste of money the information is VERY clear quote "regardless of the vehicle you drive, you need to know where you are going." you would think if you want to go to Disneyland you would know where it is or already have a map to it. my opinion don't buy this it is stupid. there is some information but it isn't worth buying. I like the " The Unofficial Guide to Disneyland, by Bob Sehlinger."

Hot tips, great deals, and all the latest information! As the happiest place on earth, it's easy to see why Disneyland is a favorite vacation spot for families. With *The Everything Guide to The Disneyland Resort, California Adventure, Universal Studios, and the Anaheim Area* in hand, you'll make the most of your trip out West.
