Jason Rich : Everything Guide Walt Disney Univ. Studios Greater Orland (Everything Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Everything Guide Walt Disney Univ. Studios Greater Orland (Everything Series):

0 of 0 people found the following review helpful. One StarBy Marion E GilmoreToo old to be of any use.13 of 15 people found the following review helpful. Guidebook full of incorrect and out of date informationBy A CustomerHaving had quite a lot of previous Walt Disney World experience, I was really disappointed with this book. I will say that the book looks nice and is laid out all right, but the content is awful. The book mentions attractions and shows that were long gone (I mean years) by it's release date in late 1998. One of Disney's major resort hotels isn't even named properly in the book. There is a big difference between Coronado Springs (correct) and Colorado Springs (wrong). Anyone who has even briefly visited the hotel can pick up on the southwest/Mayan/Aztec theme and should realize that the name Colorado Springs wouldn't make sense. I think if an author is claiming to be enough of an expert on something to write a guidebook, the basic facts should be right, which they are not. Virtually any other guidebook

will give you better and more relevant information! 5 of 7 people found the following review helpful. There must be better books

By J. Goldthwaite I was looking for a book that covered both Disney World and Universal. I visited DW in 1996 and wanted information about new stuff. I picked up the book at a Brick and Morder BN and thought it seemed like the best choice. It's not bad for a 1st time vister. But there are so many holes in the information. I used the web links that were mention in the first chapter like [...] which has more info then the book. They just say "Disney will have a 15 month Millenium Celiberation" no more info about it! That's what I wanted to know. I'm on today to order a better Disney World book. A good update and a better editor would make this an awesome buy. Big book for under \$13, but no pictures like the offical guide and not a lot of inside information. Plus they didn't update for the millenium celibration. Or Islands of adventure in Universal. Just said there there was going to be one.

Every year, millions of holiday makers travel to Orlando to experience a jam-packed vacation, from early morning golf to late nights on Pleasure Island. Planning the whole trip can seem overwhelming, expensive and daunting. The good news is planning the holiday can be fun! The Everything Guide to Walt Disney World, Universal Studios and Greater Orlando offers tons of tips and suggestions on how you can save time and money whilst making the most out of your holiday. This completely updated book includes details on: Hotels and restaurants The Magic Kingdom, Epcot, Animal Kingdom and MGM A completely up-to-date section on Universal Studios and Island of Adventure Sea World Water parks Night time entertainment And all the rest of Orlando's attractions.

About the Author Jason Rich is the author of several Everything books, including The Everything Guide to Las Vegas.
