Should be a warning it takes 13 miles in dirt up a mountain to get there lol.. make sure you have the right car :) The book was slightly off with some of the miles.. couple miles maybe, but thats ok. The hikes seem like they will all be amazing, very challenging, but so far just incredible!Highly recommend!0 of 0 people found the following review helpful. Good book for day hike ideas!By MikeBWe're in GA right now, using this book every day for our hikes - well selected and well described walks.0 of 0 people found the following review helpful. Book is amazing!!By Nikki MandersArrived on time, Book is amazing!!! My son couldn't put it down and is totally impressed with the volume of knowledge. Totally recommend!!

Lace up your boots, grab this guide, and explore the great outdoors!Few hikers know this gem of a region as well as Johnny Molloy. Hell take you to waterfalls, overlooks, gigantic trees, historic sites, and primitive wildernesses in significant spots such as Tallulah Gorge, Springer Mountain, and the Chattooga River. 100 photos and 51 maps
