travel guide, you can read it just for fun. I have had previous editions of this book and they do update information as it happens. I would highly recommend it as an addition to your travel library.0 of 0 people found the following review helpful. Good information!By Kindle CustomerThis is a very informative book. It was my Bible for planning my trip to the islands. Don't hesitate to buy it.2 of 2 people found the following review helpful. If you go to Cape Cod you need this book.By T. HydeOverwhelming amount of detail on history, what to do, where to stay and eat, etc. I couldn't imagine planning a trip to Cape Cod without this book.
