**Barnett D. Laschever, Andi Marie Fusco : Explorer's Guide Connecticut (Connecticut : An Explorer's Guide, 4th ed)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Explorer's Guide Connecticut (Connecticut : An Explorer's Guide, 4th ed):

Connecticut offers travellers the finest attractions of New England - historic homes, fine architecture, village greens, autumn foliage and old seaports - as well as more scenic back roads, excellent restaurants and cultural venues than a resident could explore in a lifetime. Features of this guide include: an alphabetical "what's where" subject guide to aid in trip planning; 19 regional and downtown maps; and handy icons that point out family-friendly attractions, wheelchair access, special value and lodgings that accept pets.

Comprehensive . . . well organized . . . should be carried in every glove compartment of every car that traverses Connecticut highways. -- Journal Inquirer, Manchester, Connecticut  
About the Author  
Connecticut native Barnett D. Laschever was director of tourism for the state for 17 years, and for more than 30 years has been a travel editor and writer for such newspapers as the Hartford Times. A former editor and writer for Fodor's Modern Guides, he lives in Goshen, Connecticut. Andi Marie Fusco, a lifelong Connecticut resident, is a journalist and elementary school teacher. She lives in Washington Depot.
