We searched all over town for the visitors center which is mentioned in the book, couldn't find it, and finally asked a towns person. He told us that the visitors center had been moved "way out of town years ago." OK, we did find the visitors center and saw it was built in 2008. Went back and checked the book--hmmm, published in 2012. Not happy with that, otherwise, decent book.1 of 1 people found the following review helpful. Visiting Eastern PennsylvaniaBy Ms IndependentThis book helped a lot, I planned out where I want to go during my three day stopover in this area. I knew I wanted to visit Gettysburg, but I really was not familiar enough with the surrounding area. We needed to spend a few more days in between Gettysburg and Washington DC, because of a schedule change. Our time is now planned out after I found quite a bit to do between Hershey, and Lancaster, PA.1 of 1 people found the following review helpful. Very HelpfulBy cindee4The guide was very helpful for planning our trip to Gettysburg and Pennsylvania Amish country. Gave us a great idea of what to expect during the different seasons of the year also, very helpful.

From natural areas and historic areas in and around Philadelphia to the Amish markets of Lancaster County, and much more, this guide offers great guidance for this fascinating region. From natural areas and historic areas in and around Philadelphia to the Amish markets of Lancaster County; from historic battlefields at Valley Forge and Gettysburg to the antiques shops of Bucks County and the leisure resorts and quiet nature trails of the Pocono Mountains, this guide offers great guidance for this fascinating region. Areas covered are all within easy driving distance of most East Coast states.

About the AuthorSeasoned travel writer Laura Randall has written for the Washington Post, the New York Times, Sunset, Glamour, and National Geographic News Service. Raised in eastern PA, she is now based in California but returns often to visit.
