Katharine Delavan Dyson : Explorer's Guide Finger Lakes: A Great Destination (Fourth Edition) (Explorer's Great Destinations) before purchasing it in order to gage whether or not it would be worth my time, and all praised Explorer's Guide Finger Lakes: A Great Destination (Fourth Edition) (Explorer's Great Destinations):

2 of 2 people found the following review helpful. Outstanding reference!By Always BelieveWe used this book for

months before we took our trip to the Finger Lakes. It was full of helpful tips and recommendations. I would highly recommend it to anyone looking to explore the wineries, history and local culture of the Finger Lakes region. 0 of 0 people found the following review helpful. Finger Lakes guide By James N. This guide was very handy - I have not lived in New York State since 1980, and some of my memories needed refreshing. We tent-camped at Watkins Glen State Park in 1991, and had a lovely secluded campsite; we walked and enjoyed Allegheny State Park where I had visited frequently as a boy. 1 of 1 people found the following review helpful. Very Helpful By M Kairey I used this in conjunction with Frommers New York State. It provided some details not included in Frommers, because this book is specific to the Finger Lakes. Still, I thought it could have provided more information. Nevertheless, it recommended a great Bed and Breakfast, and gave us good tips for our recent trip.

The only comprehensive guidebook dedicated to the Finger Lakes region of upstate New York, this updated, revised edition is packed with all the information you need to know. The author spent over a year driving around each lake, stopping for countless interviews with residents and businesspeople. The guide, now in full color, contains more than 100 photos, detailed maps, and info on attractions, events, shopping, history, recreation, and more. Includes lake-by-lake chapters, a section on gateway cities, transportation, important phone numbers, and services. 100 full-color photographs

About the Author Katharine Delavan Dyson is an acclaimed travel writer who grew up in the Finger Lakes region. She is the author of 100 Best Romantic Resorts of the World and writes several columns for national publications and web sites. Dyson divides her time between New York and Connecticut.
