Christina Tree, Nancy English : Explorer's Guide Maine (18th Edition) (Explorer's Complete) before purchasing it in order to gage whether or not it would be worth my time, and all praised Explorer's Guide Maine (18th Edition) (Explorer's Complete):

3 of 3 people found the following review helpful. The Best, with 18 editions to prove it!By Jon L AlbeeThere's really no need to write a long drawn-out review of this book. This is, easily, the best, most comprehensive, most refined, and most entertaining guide to Maine, period. No part of this surprisingly vast and diverse state is left out. From ancient York, to sophisticated Portland, to the remote highlands, it's all here. The selection of lodging, dining, shopping, and

sporting options is particularly good, especially if you're interested in heritage and ecological tourism. Fodor and Moon guides don't even come close. 3 of 3 people found the following review helpful. this is the perfect guide. It provides lots of detail for all ...By Ladd Skelly If you are planning to vacation in or travel throughout Maine, this is the perfect guide. It provides lots of detail for all interests ranging from dining to shopping to hiking. I was very impressed by the details given for little know destinations. We bought this to prepare ourselves for our trip to Acadia National Park. The guide is also very well made. Enjoy! 2 of 2 people found the following review helpful. Wonderful!! By MD This is the best guide book I have ever seen for the state of Maine (or any state for that matter)--it is full of color photos and maps, and the information is presented in an easy to read format/style. I highly recommend it to anyone who is thinking about visiting Maine, or for anyone who just loves the state.

The standard by which all other Maine travel guides are judged now completely revised and reenvisioned The best-selling and most trusted guide to Maine is back! Once again fully updated and revised, this 18th edition features a brand-new design with expanded sidebars, itineraries, and lush color photographs throughout. As always, authors Christina Tree and Nancy English offer the best, most up-to-date recommendations for food, lodging, recreation, shopping, events, and much more. Whether you're a native New Englander or one of the thousands of visitors who flock to Vacationland every year, in Explorers Guide Maine you'll find the most comprehensive and useful information to make your stay more enjoyable. 100 Color Illustrations

About the Author Christina Tree launched the Explorers Guide series more than 30 years ago. She is a regular contributor to Yankee Magazine and has been honored by the Maine Publicity Bureau and the New England Innkeepers Association. Tree travels thousands of miles every year doing research to revise her books. She lives in Cambridge, MA.
