**Christine Bailey : Explorer's Guide Phoenix, Scottsdale, Sedona Central Arizona: A Great Destination (Second Edition) (Explorer's Great Destinations)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Explorer's Guide Phoenix, Scottsdale, Sedona Central Arizona: A Great Destination (Second Edition) (Explorer's Great Destinations):

0 of 0 people found the following review helpful. Getting orientedBy Going West!This explorers guide has just been updated to reflect a number of realities of the central Arizona area. It will give the reader a quick snapshot of the key features and attributes of broader Phoenix and it's tourist attractions and/or communities within easy driving range. For those who seek detailed narratives and data, this book may disappoint but it has enough of both to give any reader a sense of the variety and qualities of each featured site. For those who seek a good mix of photos along with to-the-point narrative, this guide should please. We are moving to the Scottsdale area within the next year and found the book's descriptions enticing but informative in a balanced manner.0 of 0 people found the following review helpful. Five StarsBy L.BeebeNice travel book that was very helpful in planning our trip.0 of 0 people found the following review helpful. Four StarsBy Michael KulczykMaps were a little hard to navigate...otherwise helpful
