Donna Wares : Explorer's Guide Santa Barbara California's Central Coast: A Great Destination: Includes the Santa Ynez Valley (Explorer's Great Destinations) before purchasing it in order to gage whether or not it would be worth my time, and all praised Explorer's Guide Santa Barbara California's Central Coast: A Great Destination:

Includes the Santa Ynez Valley (Explorer's Great Destinations):

1 of 1 people found the following review helpful. Don't BOTHER!!By AstridI am so mad I bought this book! Don't make the same mistake. Reasons I am disappointed:1. NOT a guidebook on Santa Barbara. A guidebook on the central coast with a section on Santa Barbara but an obvious preference for San Luis Obispo and surrounding areas.2. Pretty layout and pretty pictures but if I wanted a coffee table book, I would have bought one that was more suitable for the job.3. Information is weak - I can get better information on tripadvisor and better images on Google. I was hoping for some real insider tips that would spare me reading a bunch of reviews on tripadvisor, but no such luck.Seriously, don't bother.0 of 0 people found the following review helpful. Great guide!By vnoelAs a fellow journalist, I appreciate information that cuts to the chase and gives me great information about what I need to know when I visit a new area. Great details without info that wastes my time.1 of 1 people found the following review helpful. Five StarsBy Y. GaoUseful and resourceful.

"Consistently rated the best guides to the regions covered."National Geographic Traveler From the regions laid-back beach towns to the jumble of Montereys Cannery Row, Californias Central Coast offers the most spectacular triptych of landscapessurf, forests, and picturesque small townsin the West. Includes coverage of the regions vineyards, culinary gems, and coastal hideaways. Full color photographs throughout
