**Walt Peterson, Michael Peterson : Exploring Baja by Rv: A Detailed Guide Containing Everything You Need to Know to Have an Enjoyable, Safe, and Inexpensive Rv Vacation to One of the Most Interesting Places** before purchasing it in order to gage whether or not it would be worth my time, and all praised Exploring Baja by Rv: A Detailed Guide Containing Everything You Need to Know to Have an Enjoyable, Safe, and Inexpensive Rv Vacation to One of the Most Interesting Places:

0 of 1 people found the following review helpful. Did not make it there....By scooterBought this to plan an RV trip

down the Baja to Cabo, but the drug cartels beat us to the area.....so we are not so very inclined to go there any longer. It looked like great fun, but not worth the risk any longer....so sad!11 of 14 people found the following review helpful. The perfect book for RVers who want to explore Baja.By A CustomerAdventurer and author Walt Petersondoes it again! With son Michael, hehas produced a guide to Baja forthose who want to explore this place ofmany wonders by RV. Walt and Michaelprovide an extraordinary book, filled withall the information RVers will need tohave a really great adventure in Baja.For those who prefer to rough it, Walt'sacclaimed Baja AdventureBook is just the ticket6 of 6 people found the following review helpful. Exploring Baja By RV -- Walt petersonBy A CustomerProbably the best book on the Baja I have in my collection. From the border to Cabo Walt and his son Michael can show you the best of a wonderful vacation area. And I bought it used for \$10.00 at .com.....

This guide will take you down the Transpeninsular highway kilometer by kilometer with information on what you'll see along the way. Handy icons allow you to locate crucial information on gasoline and L/P gas stations and RV parks at a glance.

The RV mentioned here needn't be a fully equipped vehicle: it can also be a car with a tent. The Petersons provide exact information on how to take full advantage of Baja's parks and outdoors opportunities, from giving advice on vehicle insurance and Spanish needs to telling how to identify gas stations and RV facilities along the way. Essential for any who want to explore the region via RV rather than motel. -- Midwest Book
