Travelers Series Publishing : Exploring Disneyland with Kids before purchasing it in order to gage whether or not it would be worth my time, and all praised Exploring Disneyland with Kids:

Disneyland is the premiere family destination in Southern California. For less than the price of parking, your family can explore Disneyland in an entirely new way and create magical memories that will last a lifetime.Nothing beats the original! The Memory Book that started it all will make your visit to Disneyland one to remember. The book includes interactive activities to keep your child entertained and engaged while waiting in line, for a show, or for food, along with day-long activities that will immerse your child in the Disney experience. With room for autographs, photos, signatures, buttons, stickers, pressed coins and more, the Disneyland Memory Book brings the park to life in an entirely new way. Best of all, you and your child will enjoy the completed Memory Book for years to come as a reminder of your magical adventure. A family vacation to Disneyland will be even better with a Jr. Travelers Series book. This is a trip you and the kids will never forget. Each Jr. Travelers Memory Book contains activities tailored to

specific destinations or themes. While visiting each destination, your child collects items, answers trivia, writes stories, finds objects, or does something particular to that location. As he or she completes each activity, your child will accumulate a collection of items, artwork, stories, and mementos. Some of these are preserved by writing or taping them directly onto the pages of the Memory Book. By simply completing each fun activity during a family outing, your child transforms their "activity book" into a Memory Book that lasts a lifetime. ** GO TO WWW.TRAVELERSSERIES.COM TO LEARN MORE OR VIEW A BOOK PREVIEW **
