Jean Lufkin Boulter : Exploring Florida's Emerald Coast: A Rich History and a Rare Ecology before purchasing it in order to gauge whether or not it would be worth my time, and all praised Exploring Florida's Emerald Coast: A Rich History and a Rare Ecology:

"This is a rollicking trip through an enchanted time and place--the Emerald Coast--from Paleo-Indians to modern celebrities, from mastodons to loggerhead turtles. Boulder's enthusiasm for its splendor and history is contagious."-- Faith Eidse, editor of Voices of the Apalachicola
