Michael Bumagin : Exploring Fort Worth With Children before purchasing it in order to gauge whether or not it would be worth my time, and all praised Exploring Fort Worth With Children:

0 of 0 people found the following review helpful. Excellent! By Olyve Hallmark Abbott If you are visiting Fort Worth with your children, this is a great book to take with you. Choose from many museums, the noted Stockyards, Log Cabin Village, Casa Manana. . . . The list goes on and on with the author's comments that make your choices even more appealing. And if you are a new resident of Fort Worth, you'll have your personal directory in hand.

Come to where the west begins! Fort Worth is a big city with a hometown heart and a "Howdy, neighbor" attitude. Visitors from all parts of the world and of all ages can find something here to interest and excite them.

From the Back Cover
Come to where the west begins! Fort Worth is a big city with a hometown heart and a [Howdy, neighbor] attitude. Visitors from all parts of the world and of all ages can find something here to interest and excite them.
