The City of Roses, Bridgetown, P-Town, PDX - these are all names that accurately describe the vibrant city of Portland. Portlanders are friendly, energetic and enthusiastic about their city and about keeping it "green." As you explore the countless parks and fountains - including the world's smallest park! - you will discover a weather predicting machine, interesting statues, and many other hidden gems. Locals love being outdoors, walking their dogs and enjoying all their city has to offer. By bike, metro, bus, car or boat, PDX is a fun, family-friendly city. Destinations include: Washington Park, Oregon Zoo, Children's Museum, Downtown Portland, Pioneer Courthouse Square, Jamison Square Park, Powell's City of Books, Voodoo Doughnut, OMSI, Fort Vancouver,

A family vacation to Portland will be even better with a Jr. Travelers Series book. This is a trip you and the kids will never forget. Each Jr. Travelers Memory Book contains activities tailored to specific destinations or themes. While visiting each destination, your child collects items, answers trivia, writes stories, finds objects, or does something particular to that location. As he or she completes each activity, your child will accumulate a collection of items, artwork, stories, and mementos. Some of these are preserved by writing or taping them directly onto the pages of the Memory Book. By simply completing each fun activity during a family outing, your child transforms their "activity book" into a Memory Book that lasts a lifetime. ** GO TO WWW.TRAVELERSERIES.COM TO LEARN MORE OR VIEW A BOOK PREVIEW **
