Santa Barbara is a picturesque city by the sea, which is home to artists and movie stars, provides some of the most beautiful seascapes in the country. This seaside community offers a treasure trove of places to explore, from a fairytale playground to a historic mission to an interactive seaside museum. Whether its for a day trip or an extended vacation, this memory book will help your family make the most of its time in Santa Barbara.Destinations include: The Beach, Stearns Wharf, The Pier, Ty Warner Sea Center, Museum of Natural History, Alameda Park, Vineyard, Santa Barbara Zoo, Solvang, Carpenteria, Botanical Gardens, Mission Santa Barbara, McConnells Ice Cream, Railroad Museum, Special Santa Barbara Meals and more! A family vacation to Santa Barbara will be even better with a Jr. Travelers Series book. This is a trip you and the kids will never forget. Each Jr. Travelers Memory Book contains activities

tailored to specific destinations or themes. While visiting each destination, your child collects items, answers trivia, writes stories, finds objects, or does something particular to that location. As he or she completes each activity, your child will accumulate a collection of items, artwork, stories, and mementos. Some of these are preserved by writing or taping them directly onto the pages of the Memory Book. By simply completing each fun activity during a family outing, your child transforms their "activity book" into a Memory Book that lasts a lifetime. \*\* GO TO [WWW.TRAVELERSSERIES.COM](http://WWW.TRAVELERSSERIES.COM) TO LEARN MORE OR VIEW A BOOK PREVIEW \*
