It shows the parts of Boston you never forget: Back Bay, the North End, Downtown...this book, for all people wanting a Boston souveneir or visting

this great city, is a must-see.

Framed by its historic harbor and rivers, poised between old and new, Boston is a special place with a dynamic story. This up-to-date photographic study discovers unique viewpoints and celebrates culture, history and tradition. It visits the best-loved sites--Acorn Street, the Public Garden, the Charles--with a fresh eye. It studies the newest architecture and honors venerable sculpture. With aerial photography and twilight skylines, it captures topography and makes new connections.

About the Author Steve Dunwell makes photographs of New England--its people, landscapes, and industries--for publications, collectors, and advertising. He lives in Boston.
