**Ray Miller : Eyes of Texas Travel Guide Panhandle/Plains Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Eyes of Texas Travel Guide Panhandle/Plains Edition:

0 of 3 people found the following review helpful. DisappointedBy SnakewomanThis was supposed to be in hardcover formula, but it's not. It's a largish paperback with small print that is very difficult to read with these old eyes. Lots of pix--but all in black and white, which is very disappointing.
