It is the only way to do justice to this city. Whether you are going for the theatre, shopping, museums, or dining, this book makes every block an adventure. It is lightweight and indestructable. After you have used one you will purchase another Eyewitness Destination Guide for Paris, Tuscany, London... The Best!

The team that brought you the best-selling, ground-breaking DK Travel Guides and the new DK Travel Planners introduces a new series -- DK's City Maps. Designed as a companion to the guides and planners, each sturdy, weather-proof, laminated but lightweight map features a detailed street grid of a major city keyed to a user-friendly Street Finder index. Other travel maps just point the way, but DK takes you there!
