Tricia Brown : Fairbanks: Alaska's Heart of Gold before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fairbanks: Alaska's Heart of Gold:

1 of 1 people found the following review helpful. its okay, will update upon arrivalBy MishLI bought this because we are moving to Fairbanks in October. I was first disappointed at how small the book is. I wonder if I could have gotten the majority of this information from pamphlets I could find at hotels in the area and the visitor center. I will update my review once I get there and see and experience it for myself. The other dissapointment was that its not a revised edition. This book is from 2000. I know history hasn't changed, but small things have, like the book tells us that there is no WalMart there, etc. There is a huge WalMart in Fairbanks. This book should be revised for things such as this. My son has read it and learned some things and so for now I'm just going to put it as okay, but once I get to Fairbanks, I will update this review. Also, book arrived a little beat up, a small rip in the back cover and some wear. I'd say more "like new" condition than new. But, I appreciate the time it took regardless in putting together a little guide :)0 of 0 people found the following review helpful. Faorbamls infoBy Carol Sue McAberyThis book is full; of interesting and informative info about the Fairbanks area, and told me a lot of interesting things I'd never heard before about the place.0 of 0 people found the following review helpful. Four StarsBy TammyNice little book, with information of this alaska town.

This handy pocket guide will help you discover Fairbanks, with its natural wonders, people, gold rush history, wild places, and sense of discovery.

About the AuthorBrown is a writer, editor, freelancer, program and book developer, journalist, quilter, mother, grandmother and wife. Her work has been nationally honored for compassionate, insightful depictions of Alaska natives and for children's literature. She began her award-winning literary career in journalism, and in 1984 was the founding editor of "Heartland", the Sunday magazine of the Fairbanks Daily News-Miner. Later she wrote for the Anchorage Daily News, then shifted into editing the popular monthly magazine Alaska, with a readership of more than a quarter million. She holds a Bachelor's degree in journalism and a Master of Fine Arts degree.
