This book is so much fun..By Emily SillsSis. Ann was a part of my life for over 35 years and a part of my boys' lives from birth. This book is so much fun... not only does it bring to life in pictures all the stories she has told over the years, but I can also hear her speaking while I'm reading... continually encouraging to walk the path G-d has chosen for me (and for each individual) and to live out HIS dream through my life. If you knew Sis. Ann, this book is a "must have". If you did not, then you should still have a copy and let it open up the world to you through the eyes of a woman who loved G-d more than anything... so much so, that even though she is present with the Lrd today, her presence is still felt here among those who loved her and among the people she so diligently helped and rescued.

Reverend Ann Baines, or Sister Ann, as she is so affectionately called, is an anointed woman of God who has for many years now served the nations and been a spiritual mother to many in the Body of Christ. God's salvation grace was applied to her own life in 1971, and she never looked back since. Recognizing that children are our future, Sister Ann spent thirteen years as a youth pastor and began her training as an evangelist.
