Ocean Explorer Maps : Falkland Islands Explorer Map (Ocean Explorer Maps) before purchasing it in order to gage whether or not it would be worth my time, and all praised Falkland Islands Explorer Map (Ocean Explorer Maps):

Fine map in the excellent "Ocean Explorer" series covering the Falkland Islands region. Produced in the same format as the previous maps in the series, one side provides a detailed map of the islands with key areas identified, while the other side presents information of the area's wildlife, geography and history, along with providing a town plan to Stanley.
