**Unknown : Family Guide New York City (DK Eyewitness Travel Guide)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Family Guide New York City (DK Eyewitness Travel Guide):

2 of 2 people found the following review helpful. disappointing By Betty Bryant I had a print copy of Eyewitness Travel's New York City from the library and was so impressed I wanted my own copy and thought an ebook would be more convenient for the trip. Unfortunately the ebook has a lot less information and detail, and the maps are disappointing in their lack of detail. I am sorry I bought this book. It is particularly disappointing as there was no option to look through the ebook or parts of it prior to buying.
