**From FarmPlate : FarmPlate Vermont Beer (Farmplate Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised FarmPlate Vermont Beer (Farmplate Guides):

4 of 4 people found the following review helpful. Great idea well doneBy R. Van AndaThis book does a wonderful job of shining a light on the craft breweries of Vermont. My son's brewery is one of them, which is why I ordered the book. This is a tour guide for anyone who would like to take a beer pilgrimage to Vermont. Vermont is being called a "beer mecca", and many beer lovers tour from brewery to brewery...and tasting room to tasting room. Of course, those who stop at Lost Nation Brewing Company in Morrisville, just above Stowe, feel that they have found Nirvana and stay a little longer to enjoy the biergarten and fantastic culinary options. Proud Mom...you bet! Great beer and grub...absolutely!0 of 1 people found the following review helpful. Four StarsBy S New Hampshire Univa gift for my son in law
