**Thomas Farnham : Farnham's Travels: in the Great Western Prairies, the Anahuac and Rocky Mountains, and in the Oregon Territory (Travel in America)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Farnham's Travels: in the Great Western Prairies, the Anahuac and Rocky Mountains, and in

the Oregon Territory (Travel in America):

3 of 3 people found the following review helpful. A Massive FraudBy Clifton C. HawkinsI reviewed this book a while back, and don't know why my notice has disappeared. Many Applewood Press editions are incomplete and worse. This particular volume is worse than useless because it has only part of Farnham's work, has chapters and pages out of sequence, and starts pages in the middle of sentences that have no connection with the previous page, or even with the chapter we are supposedly reading. This is not a book but an assemblage of jumbled passages in no particular order. I previously ordered a copy of this book and returned it because of these deficiencies, only to receive another copy that is not so much damaged and incomplete as incoherent. I complained to Applewood's customer service but although an employee took my message, nobody ever called me back. I have had similar experiences with other books published by this press. They are not at all what they claim to be. I wish that they were, because many of their volumes are difficult to obtain elsewhere. Problem is, we cannot actually purchase them from Applewood either.

Covering the Rocky Mountains and Oregon, with descriptions of the Native American tribes in the region.

About the Author1804-1848
