The New York City Fire Museum, Andrew Coe : FDNY: An Illustrated History of the Fire Department of New York City (American Icon Close-Up Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised FDNY: An Illustrated History of the Fire Department of New York City (American Icon Close-Up Guides):

0 of 0 people found the following review helpful. FDNY bookBy Kenneth D. CarterGreat book! I am a retired Louisville fireman and like reading about other fire depts. This one is very good and has lots of good info. There are

lots of good books out there about various fire departments, but let's face it, the FDNY has got to be the busiest, best fire department in the world. This book highlights that very fact. I love the book.0 of 0 people found the following review helpful. Five StarsBy Wade Steven McPhersonGreat book7 of 7 people found the following review helpful. Our HeroesBy A CustomerThe photos in this book just blew me away. I mean, we all knew about the firefighters' bravery on 9/11. This book shows how this tradition of bravery, of heading into the flames, goes all the way back to the city's early days. Just look at the faces of the firemen fighting the slum fires back in the '60s. A real trial by fire. And the chapters give a good solid look at the department's history, not dumbed-down but also not too long. If you were going to buy just one book on the FDNY, this one has it all.

Since the earliest years of city history, New York's firefighters have put their lives on the line to protect its citizens from fire. Written by experts on Fire Department history, this book documents the evolution of city firefighting from the earliest b

About the AuthorThe New York Fire Museum is one of the country's finest collections of firefighting equipment and memorabilia.
