Georgina Cruz : Fells Official Know-It-All Guide, Cruises: How to Sail in Style for Less (Fell's Official Know-It-All Guides (Paperback)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fells Official Know-It-All Guide, Cruises: How to Sail in Style for Less (Fell's Official Know-It-All Guides (Paperback)):

3 of 3 people found the following review helpful. It's not bad...but, I've seen better..By Frank Beckendorf Georgina Cruz toots her own horn on the back cover acknowledging over 108 cruises! It shows....Cruz takes the reader into a world that invites pre-information before spending money on something such as a cruise. She covers small ships, mid-size and large ships. But, like most of these titles, her information is outdated. Not her fault. She includes a section on niche cruising, like river cruising and barges. This is a new option in cruising. For \$16.95, this is a good buy. For those of you who are new to cruising, buy this title. For you experienced cruisers, you're on your own. Most of this stuff you

probably know, or can get this information on Internet review sites. Or at cruising.org.

An ocean of information for would-be cruisers or those who have cruised before.
