Russell D. Butcher : Field Guide to Acadia National Park, Maine before purchasing it in order to gage whether or not it would be worth my time, and all praised Field Guide to Acadia National Park, Maine:

0 of 0 people found the following review helpful. Three StarsBy CustomerOK0 of 0 people found the following review helpful. Five StarsBy At HomeUpdate to the older edition that we had bought back in the 1980's.

The 42,000 acres that comprise Acadia National Park include glacier-worn granite mountains, rocky cliffs, crystal blue

ponds and lakes, and a dramatic coastline where waves collide spectacularly with dramatic headlands. This book describes the flora, fauna, and geology of the park, as well as a number of the prominent trails that take you in and around some of the most charming scenery in North America.

About the Author Russell D. Butcher is the author of *America's National Wildlife Refuges: A Complete Guide*, *Exploring Our National Parks and Monuments*, and *Exploring Our National Historic Parks and Sites*. He lives in Tucson, Arizona.
