Richard A. Johnson : Field of Our Fathers: An Illustrated History of Fenway Park 19122012 before purchasing it in order to gage whether or not it would be worth my time, and all praised Field of Our Fathers: An Illustrated History of Fenway Park 19122012:

3 of 3 people found the following review helpful. an impressive bookBy Bill NowlinThere are a dozen or more Fenway Park books already out, or coming out as we approach the park's 100th anniversary. This book will probably remain unique, in that it focuses on the many, many ways Fenway Park has served as venue for a wide variety of events aside from baseball. High school football and pro football, high school baseball, boxing, wrestling, lacrosse, soccer, political speeches, religious ceremonies...the list goes on and on. The publisher devoted some extra money to put this over the top, with a number of inserts reproducing tickets and programs for some of the events of days gone

by.1 of 1 people found the following review helpful. Field of Our FathersBy AlpacaBethBeautiful coffee table book. Loaded with facts and crystal clear images from the past. Fun for anyone, not just baseball fans. The only issue: there is no index. This is frustrating if you want to research something specific. There is no easy way to find the info except to flip through the pages and text. Next edition, PLEASE include an index!!! An index would upgrade it from a coffee table book to a great history and research book.0 of 0 people found the following review helpful. for my professorBy deadendproI've got a professor from Boston and after finishing the class and hearing about how much he and his son bond over Red Sox baseball i thought it would be a very nice gesture to purchase this book for them as thanks for a great class. He seemed adamantly thrilled about the book and hope they have a blast.

The definitive, illustrated history of Fenway Park, this comprehensive volume captures the momentous occasions of America's most beloved ballpark. Featuring posters, ticket stubs, and fan memorabilia, this history contains firsthand accounts of the many baseball and nonbaseball events that have helped characterize the park since the days of Tris Speaker and Babe Ruth. The book celebrates the teams, the fans, and the quirks of Fenway Park for its centennial in 2012.

About the AuthorRichard A. Johnson serves as the curator of the Sports Museum at the Fleet Center. He has authored and edited numerous books on a variety of sports topics, including Boston Braves and Boston Garden.
