Ralph Ramey : Fifty Hikes in Ohio: Walks, Hikes and Backpacking Trips Throughout the Buckeye State before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fifty Hikes in Ohio: Walks, Hikes and Backpacking Trips Throughout the Buckeye State:

2 of 2 people found the following review helpful. Excellent for those who enjoy exploring the outdoors By Alex (fhcpresb@aol.com) This is a great book for hikers in Ohio. It describes in detail many hikes of varying length all over the state. However, sometimes the descriptions in the book don't seem to match the actual trail. A more detailed map

and a compass are often helpful. All this is not to say that this is not a great guidebook. The hikes described are beautiful and exciting. I especially recommend Shawnee State Forest.

In this first all Ohio hiking guide, naturalist and veteran hiker, Ralph Ramey, shows the delights of hiking in the Buckeye state's incomparable system of state parks, forests, wildlife areas, nature preserves and historic sites.
