From Brand: Inst of Intl Education : Financial Resources for International Study: A Guide for Us Students and Professionals before purchasing it in order to gage whether or not it would be worth my time, and all praised Financial Resources for International Study: A Guide for Us Students and Professionals:

8 of 9 people found the following review helpful. Interested in international education? Look no further!By Jake WinnFinancial Resources for International Study is a must have for anyone wishing to attend school outside of the U.S. Every scholarship and financial aid option imaginable is listed within the book, which if you recieve one of those, could pay for the book itself easily! I would highly recommend this book to anyone who, like me, has to get out and see the world through education but cannot always pay for all of it.3 of 3 people found the following review helpful. Vast Resource, but contact info out of dateBy Hs15ih2They've done the research and list many scholarships in an

uncluttered format. Scholarships are listed by the geographical location in which the scholarship is to be used. The contact information tends to be out of date, but it is possible to find the current information, albeit with a little work.

A Guide for US Nationals. US students and professionals often need financial assistance to cover costs of international study. To meet the need for a current information resource on grants and fellowships for study abroad, IIE Books offers this book. Grants range in value from \$500 to tens of thousands of dollars. Key facts on amount of award and what award covers, eligibility and application, numbers of awards offered, purpose and duration, and complete contact information. Awards offered by governments, international and binational organizations and associations, foundations -- and US colleges and universities. Based on a survey of 5,000 donor organizations worldwide.

From the Publisher Financial Resources for International Study is a publication of the Institute of International Education. The largest U.S. higher education exchange agency, IIE is a nonprofit organization with over 650 college and university members in the U.S. and abroad. About the Author IIE is a non-profit organization and the largest US higher education agency. For over 50 years, IIE's books have been the standard reference resources on study abroad for US students and adult learners.
