National Geographic Maps : Finger Lakes (National Geographic Destination Map) before purchasing it in order to gage whether or not it would be worth my time, and all praised Finger Lakes (National Geographic Destination Map):

1 of 1 people found the following review helpful. Pretty basic road mapBy VladiNothing like the other NG maps I own!Doesn't have trails and other details.A pretty basic road map...1 of 1 people found the following review helpful. Five StarsBy BarbaraIt was very clear0 of 2 people found the following review helpful. Three StarsBy B. Colefine, but nothing special.

Waterproof Tear-Resistant Travel MapNational Geographic's Finger Lakes Destination Map strikes the perfect balance between map and guidebook and is an ideal resource for touring this culturally and geographically unique region of New York state.The front includes a topographic map of the region and an inset about the town of Ithaca, home to Cornell University. The reverse has insets about history, geology, outdoor activities, and places to visit, including historic and cultural attractions as well as farms and wineries.Key features:Double-sided map containing detailed maps and useful travel informationMaps include a comprehensive road network, local infrastructure, and abundant natural, historical, and cultural placesBeautiful photographs and valuable travel information aids travelers with pre-trip planning and on-the-ground adventuresEvery Destination Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of any kind of travel.Map Scale = 1:235,000Sheet Size = 37.75" x 25.5"Folded Size = 4.25" x 9.25"

About the AuthorFounded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking.Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
