Ken Albert : Fishing in Northern California: The Complete Guide (2000 edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fishing in Northern California: The Complete Guide (2000 edition):

0 of 0 people found the following review helpful. Five StarsBy David Sunbook is in good condition and very useful for every one is going fishing in North california .0 of 0 people found the following review helpful. everything you need to knowBy Kurt AckermanIf you are deep sea or in the high Sierras this book gives lots of valuable information regarding how to rig your gear for your desired fish, and known hot spots. Expert or novice, there is always something to learn, and this book cuts to the chase for producing results! It is a must to keep with your gear.3 of 3 people found the following review helpful. Excellent resourceBy A CustomerWe are ordering this as an update to the one we've been using for the past couple of years. Offers good, practical advice to determine where to go when to catch what! WE use it frequently -- my husband reads it just to DREAM about fishing -- We both use it when planning a trip.
